

Idaho State Police Forensic Services

Upcoming Alco-Sensor and Intoxilyzer Breath Testing Specialist Classes for Fall of 2008

Attendees must be certified Operators prior to attending and should bring their instruments and simulator with them.

Before moving an Intoxilyzer, shut it off and allow it to cool for 30 minutes. This should protect the lamp from damage.

Northern Idaho - Coeur d'Alene – Call Jeremy Johnston at 208-769-1410 to register

Last Thursday and Friday of August (2008)

Alco-Sensor class is the first day; Intoxilyzer class is the second day.

Classes begin at 0900 each day

First Thursday and Friday of April (2009)

Alco-Sensor class is the first day; Intoxilyzer class is the second day.

Classes begin at 0900 each day
