

## MERIDIAN TRAINING FACILITIES USAGE POLICY

The Idaho State Police/POST complex in Meridian includes facilities suitable for a wide variety of training needs. Facilities include: a 0.9 mile paved driving track; three tiered auditorium-style classrooms seating 50 students each, one tiered auditorium-style classroom seating 80 students, two flat classrooms seating 35 students each, a 2800 sq. ft. flat classroom capable of being divided into two, three or four rooms, and a computer lab with 40 PCs; a multi-purpose room with hardwood floor containing a full basketball court; a 1500 sq. ft. fully equipped weight and cardio training room; a 1500 sq. ft. mat room; a 25' by 60' aquatic training tank; a one-mile outdoor running track; and men's and women's locker rooms. Photos of classrooms and other facilities are available on this website.

Training facilities are intended primarily for job-related training of Idaho state and local criminal justice employees. Facilities can be reserved for such purposes by outside agencies up to six months in the future. Simply fill out a *facility request form* and submit it to the POST Academy facility scheduler, or call 884-7292.

If an outside agency reserves a facility more than six months in the future, the reservation will be tentative until the six month deadline, when the reservation will be confirmed. While the reservation is tentative, POST and ISP Academies or in-service classes will have priority for scheduling. Outside agencies bumped during this time will be notified and given an opportunity to reschedule.
